Caution of Ointments for Catarrh

that Contain Mercury,

as mercury will surely destroy the sense of smell and bring about changes that will last a long time. It is a fact that all the mucous surfaces of the body are affected by it. Such articles should never be used except on prescription from a reputable physician, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system.
